Saring is coming. E. in and chesting Horse, of course, and not the Letter Put for ib buds; and instead slender Wear a green that's fre in and tender Nature asys that Spring is nearing Sion the cucked you'll be hearing

This distinguished Georgian, being re ntly questioned in Washington upon the condition of the country, gave some striking views of what he regarded as the future of the country. Speaking of the indicisry, he said, and the example is very tupressive. In view of what is now going on in Washington, in reterence to the impeachment of the President and the assaults upon the judges:

OFFICE OF THE LOUISVILLE DEMOCRAT, Thursday Evening, March 19.

The gold market continues weak under New York advices. The dispatches to But day quoted the market opening a 1 half

magnitude are reported. The market, however, like gold, is influenced by New York quotations, and is noticeably firm. The New York Herald, of the Irib, refers to the fact that legislation in Congress had the effect to depress the market, but reports a favorable reaction, and says:

The prices of five-twenties of the various lesues are considerably lower than they ought to be in view of the interest they bear, and in comparison with rall way shares they are remarkably beap—as, for instance, New York Central, a say per cent. In corrector, slowed, which is selling at about twenty-seven per cent, above par, dendring the accuraci interest. The greatest advance thing the accuraci interest. The greatest advance the five-tweaties, and especially those of the five-tweaties, and especially those of
